Why Sponsor CaringKind?

CaringKind is New York City's leading expert on Alzheimer's and dementia caregiving. With over 40 years of experience, we work directly with our community partners to develop the information, tools, and training to support individuals and families affected by Alzheimer's and dementia and their caregivers.

We offer a Helpline run by professional staff; individual and family counseling sessions with licensed social workers; a vast network of support groups, education seminars and training programs; and a wanderer's safety program. We believe in the power of caregiving and seek a world where everyone dealing with dementia has the support they need, when they need it.

Today more than 500,000 New York City residents either have Alzheimer's or are taking care of someone who does. To support our work, we reach out to the community each year at Alzheimer's Walk. The Walk embraces all of New York City, and our goal is to raise \$500,000 for our programs and services, which are provided free of charge to New Yorkers who need them. Our Walk will be a hybrid event this year, starting online with our Opening Ceremony, moving into the real world as our Walkers walk in the own neighborhoods, and then returning online for an afternoon filled with virtual programming. CaringKind will engage with our stakeholders every step of the way to ensure that they know who our sponsors are.

Located in the culturally diverse capital of the world, the CaringKind Alzheimer's Walks are uniquely positioned to attract the consumers your company is most interested in reaching while also supporting a resource essential for your employees who are affected by the disease. More than 1 in 7 American workers are active or former caregivers for someone with Alzheimer's or related dementia. Become a partner in the Caregiver Movement as we walk to #GIVECARE.

Walker Demographics:

- Thousands of New Yorkers of all ethnic groups and ages participate in the Walk
- 82% of Walkers are under the age of 55
- 32% of Walkers are between the ages of 25-34
- 75% of Walkers are female and 25% are male

We are a tax-exempt organization under section 501(C)(3) of the Internal Revenue Code (Tax ID number 13-3277408) and your contribution is tax deductible to the full extent of the law.

2020 CaringKind Virtual Walk

What is a Virtual Walk?

Due to safety concerns about COVID19, this year our walk will be virtual to allow participants to avoid crowds. On October 11, Walkers will walk in their home neighborhoods to raise much needed funds for CaringKind. Our opening ceremony, events, and information tables will be livestreamed on the day of the event. Sponsors will share their stories with our Walkers virtually.
